<Directions from JR Kyoto Station>

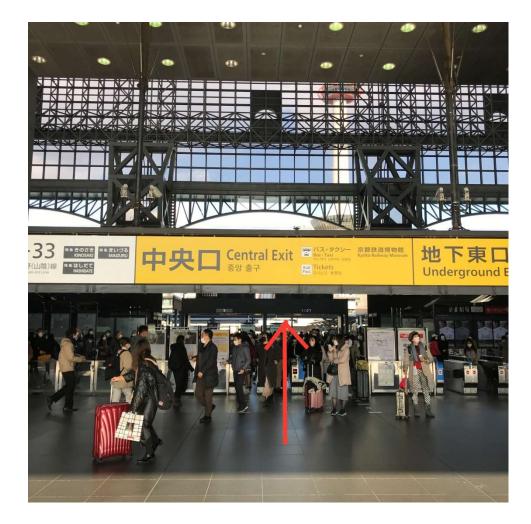

■Outline

1. Exit the ticket gate at the central exit of Kyoto Station.

2. When you exit the ticket gate, you will find the bus terminal in front of you. From the D3 or C6 platform, take the 26 or 28 bus. The bus stop we are aiming for is "Mibudera-michi / 壬生寺道". The boarding time is about 17 minutes. The fare is paid at the driver's seat when you get off (230 yen (120 yen for children)). Also, when getting off, please press the stop button in the bus just before arriving at the arrival station. The timing is a little difficult, but there is a bulletin board for the next arrival station on the bus, and an audio broadcast will be played, so please rely on it.
